NISSAN X-TRAIL

THE ALL NEW NISSAN X-TRAIL.

SERIOUSLY STYLISH. SERIOUSLY FAMILY PROOF.

Don't let the all-new Nissan X-TRAIL's sleek, stylish design deceive you. Beneath the immaculately presented exterior beats a no-nonsense heart, packed full of practical features ready to make every day driving a joy – whether it's the school run or this weekend's family adventure. An interior as comforting as Mum's cuddles, the latest tech to keep the kids happy, and all the power and performance you need to get you there and back again. Family proof and just a touch too cool for school, the all-new Nissan X-TRAIL is ready for anything you can throw at it.

The scenery may be rugged, but the accommodations of the all-new Nissan X-TRAIL are anything but. Big and little hands alike will love the luxurious feel of double stitched leather accented appointments.* Cleverly designed tiered, theatre style seating means even the littles can always see the road ahead, while gloss black trim with metallic accents, and atmospheric LED front passenger interior lighting add to the theatrical mood. More than a few in your family? Both the all-new Nissan X-TRAIL ST and ST-L are available as 7-seaters: After all, everyone should have a room with a view.

X-TRAIL Ti 4WD Interior. Overseas model shown. Australian Ti model not available with manual transmission.

*Available on ST-L and Ti models only. Leather accented features and upholstery may contain synthetic materials.
*7 seat variant not available on 2.0L ST.

Designed to make driving easier, the all-new Nissan X-TRAIL has everything you need close at hand. All models feature a Nissan Intelligent Key® and Push Button Engine Start, NissanConnect™* Smartphone Integration (both iOS & Android), Bluetooth® phone and audio, AUX in and USB/iPod® audio connectivity with album cover art, and a 6 speaker audio system. Both the all-new Nissan X-TRAIL ST-L and Ti feature Satellite Navigation, with 7" display and touch screen.

*Features and function may vary by grade.
*iPod is a registered trademark of Apple Inc.

X-TRAIL Ti Interior.

THINGS ARE LOOKING UP.

There's nothing more inspirational than wide, open spaces - whether it's star gazing at the heavens or luxuriating in the interior earthly delights of the all-new Nissan X-TRAIL.

Power Panoramic Moonroof.* Enjoy the sublime feeling of warm sun and bright blue skies overhead. All aboard will enjoy a breathtaking view.

Quick Comfort Heated Front Seats.^ Nissan innovation to the smallest detail. These clever comforters work by focusing on key areas of the body and heating them in sequence, to get you get warmed up as soon as possible.

8 Cup Holders. Such a little thing... but so important! The all new-Nissan X-TRAIL has 8 cup holders to keep everyone happy, and drinks and smiles upright at all times. And for hot and bothered Mums and Dads the two front holders are coolers too.

*Ti only

^Available on ST-L and Ti models only.

SLIDE, GLIDE AND SWING WIDE.

EZ Flex™ Seating System. A truly first class 2nd row, with 40/20/40 split seats that slide forward for easy access, adjusts to give you more cargo space or leg room, and can also be reclined.

Easy to access 3rd Row.* Mum's taxi? A 50/50 split folding 3rd-row seat fits all their little friends, with a range of flexible options, including folding down to a flat cargo floor.

Rear 80° Wide Opening Doors. Clunky kiddie seats or cumbersome surfboards, the all-new Nissan X-TRAIL makes it easy to get it all in - and out - with rear doors that obligingly swing open to almost 80°.

*Available on 7 seat ST and ST-L 2.5L CVT 2WD variants.

*Available on Ti model only.

X-TRAIL 7 seat ST Interior.

PACKED WITH POSSIBILITIES.

Fitting the family in is one thing – but the real challenge is fitting in all their essentials too. With a whopping 1520 litres of overall space and clever 40/20/40 split folding seats, the all-new Nissan X-TRAIL makes it easy to get the whole kit and caboodle in.

18 CONFIGURATIONS

Divide-N-Hide™ storage system. Divide and conquer your trickiest storage dilemmas with adjustable, sliding shelves that let you configure your precious cargo to perfection; whether it's keeping the dog separate from the kids, keeping the kids separate from the ice-cream or concealing the ice-cream from the sun, Divide-N-Hide™ is so easy you can do it with one hand. Here are just some of the possibilities...

1. Big shop or small, you can section to perfection to stop your bags rolling about.
2. Create a long, flat floor with under-floor storage for big items you'd like to keep hidden.
3. Lower the floor to give added depth to fit your latest not-so-flat-packaged D.I.Y. project.
4. Create a tall box that keeps valuables tucked out of sight, with a handy shelf on top.
5. An open space for under storage underneath, with a shelf to keep things in easy reach.

*Divide-N-Hide™ available on 5 seat variants only. Overseas model shown.

PERFORMANCE FOR EVERY ADVENTURE.

It is possible to have the best of both worlds with the all-new Nissan X-TRAIL - you get all the adventure ready performance you can handle, neatly packaged in a car that's naturally as fuel efficient as it is economical. From top to bottom the all-new Nissan X-TRAIL has been designed to enhance driving efficiency; with an advanced engine, excellent aerodynamics, virtually gearless Xtronic CVT (Continuously Variable Transmission), and a host of other features that work seamlessly together to give you a drive the whole family can feel good about.

Engines. Just like families, one size never fits all. The all-new Nissan X-TRAIL gives you the choice of advanced petrol or diesel* engines, available in either 2WD or 4WD, with each and every one delivering responsive power and outstanding fuel economy.

Xtronic CVT. The all-new Nissan X-TRAIL is fitted with Nissan's very latest version of CVT, which reduces friction by up to 40% while improving acceleration at low speeds and improving highway fuel economy.

*Diesel variants coming soon.

X-TRAIL ST-L in Burning Red.

TOTAL CONTROL. COMPLETE CONFIDENCE.

The all-new Nissan X-TRAIL is engineered with a range of innovative technology that enables it to have an intuitive response to every driving situation, for a smoother and more controlled ride. Designed to keep you and yours safe, it also helps to stop your cargo moving unexpectedly about – whether it's the dog, your golf clubs or the new flat pack cubby house for the kids - giving you the confidence to stay cool, calm and collected on every drive.

Intuitive 4x4. The ALL-MODE 4x4-i system makes the all-new Nissan X-TRAIL capable on-road and off. For maximum fuel efficiency choose 2WD. In Auto Mode conditions are constantly monitored, and the balance of power between front and rear wheels is adjusted for best traction. Challenging conditions? 4WD Lock Mode is your choice.[^]

Active Engine Braking^{*} Whether slowing for a corner or coming to a stop, Active Engine Braking uses the CVT to apply engine braking (like shifting to a lower gear in traditional transmissions) to deliver smoother deceleration and more confident driving experience.

Active Trace Control (ATC). A turn for the better, this innovative technology improves control when cornering, and can brake each wheel individually to help you steer through any turn with confidence.

Active Ride Control (ARC). Lets you and your all-new Nissan X-TRAIL down gently. ARC automatically applies braking and adjusts engine torque after you hit a bump to smooth out your ride.

Hill Start Assist (HSA). Up, up, and smoothly away. HSA helps prevent rollback when starting on an incline.

Hill Descent Control (HDC)[^] Descend on a steep decline safely, as HDC controls the brakes for you, letting you focus on steering.

Active Brake Limited Slip (ABLS)[^] Provides better grip in slippery conditions, ABLS works to apply braking to individual wheels if they start to spin.

[^] Available on 4WD variants only.
^{*} Available on CVT models only.

NISSAN ADVANCED DRIVE-ASSIST DISPLAY. THE PERFECT CO-PILOT.

Traffic jams. Hot, tired kids. What to cook for dinner? With so much to think about, and so much going on around you, it's easy to get distracted. Advanced Drive-Assist Display (ADAD) is a full-colour 5" display, that sits between the speedometer and tachometer, to help you stay on track and on top of things when you're on the go in your all-new Nissan X-TRAIL.

From turn-by-turn directions* to caller ID and so much more, ADAD gives you all the information you need directly in front of you, keeping you focused on the road ahead.

NISSANCONNECT™ STAY IN TOUCH WHEN YOU'RE ON THE MOVE.

NissanConnect™ is smart technology that keeps your world within reach when you're on the move. And with NissanConnect™ Apps, your all-new Nissan X-TRAIL becomes your smartphone's best friend, with music, information and apps you and your family love, coming together through the all-new Nissan X-TRAIL's display and audio system.

Nissan Navigation System (ST-L and Ti). The latest maps, the most direct routes and the smartest way to get to your destination on time and fuel efficiently. Comes with a 7" touch screen display.

Pandora® radio capability*. Looking for something new? Explore the latest tunes using Pandora® radio capability. Connect your Pandora®-equipped smartphone through the audio system to listen to Pandora® free internet radio, and use the 'thumbs up' or 'thumbs down' icons to rate songs.

Online search - powered by Google®. Based on the latest information, Google® Online Search helps you pinpoint your desired destination, even if you don't know the name or category – so you can find that new restaurant or brilliant beach in a snap.

Facebook®. Launch the Facebook® app and your Nissan's got room for 200+ of your closest friends. Follow your news feed to find out what everyone's up to, check in with your network on arrival at your destination - you can even update your status to suit.

*Available on ST-L and Ti variants only. ^Features and functions may vary by model grade. Driving is serious business. Only use NissanConnect™ services when safe to do so and in accordance with local Road Rules. Never program while driving. Use of NissanConnect™ services is subject to agreeing to a Subscription Agreement containing important restrictions, terms and conditions (see nissan.com.au/nissanconnect for details). 36 month subscription starts on vehicle registration date, subsequently a paid subscription is required at the then current rate. Standard data usage charges apply. Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Google® is a registered trademark of Google Inc. Pandora® is a registered trademark of Pandora Media Inc. *Pandora® is currently only supported on Android™ platform.

X-TRAIL Ti interior.
Overseas model shown. SXM is not available on Australian grades.

Check surroundings for safety.

NISSAN AROUND VIEW® MONITOR.* 360° OF SAFE.

The all-new Nissan X-TRAIL ST-L and Ti are fitted with 4 cameras, to give you a complete panoramic, 360° view of everything that's in the immediate vicinity of your vehicle, including low down blind spots - real peace of mind when you've got little kids and pets running around. The virtual view is displayed via a selectable split-screen showing close-ups of the front, rear, and curbside views, so you can see exactly what's what. The system also works at low speed, brilliant when you're in challenging off-road conditions.

And as not all objects are helpful enough to stay still, (hello shopping trolleys) there's the added safety of a Moving Object Detection System,[^] which will warn you with a helpful audio alert if it detects movement. Every all-new Nissan X-TRAIL model is fitted with a rear view camera, to help you see exactly what's behind you when reversing.

Ensure it is safe before manoeuvring.

*Around View® Monitor is a drivers' aid only and may not cover all blind spots. Moving object detection may not detect every object. Always check surroundings before moving vehicle. Not available on ST model.
[^]Moving object detection is only available on Ti model.

CAMERA 1

The perfect pull in. When in Drive, camera 1 gives both a front and overhead view so you can confidently go all the way in to your parking space.

CAMERA
1

CAMERA
2

CAMERA 2

Don't scratch your wheels. In Drive or Reverse, choose to switch to camera 2 for a side view - brilliant for seeing just how close you are to the kerbside.

CAMERA
4

CAMERA 4

Complete the picture. Camera 4 is located under your driver's side mirror, to give you on the ground coverage in either Drive or Reverse, completing your virtual 360° birds-eye view.

CAMERA
3

CAMERA 3

No turning back. In Reverse, camera 3 shows what's directly behind you, whilst the overhead view helps with lower objects that can't be seen out of your window.

KEEPING YOUR MOST PRECIOUS CARGO SAFE.

At Nissan safety is more than just a philosophy; it's an integral part of every vehicle we make. Our comprehensive approach to safety guides the engineering and development of all our cars – and it not only works to keep you and your family physically safe, it gives the driver the self-assurance to know that they can rely on their vehicle, and confidently handle unexpected situations.

Respond sooner. If you need to hit the brakes hard or make a sudden manoeuvre, these standard technologies help you respond better.

Vehicle Dynamic Control assists in maintaining your steering path.

Traction Control System reduces wheelspin in low-traction situations.

Anti-lock Braking System maintains steering control when braking heavily.

Electronic Brake Force Distribution varies the braking force in accordance with load distribution to maximise stopping power.

Brake Assist helps apply maximum braking force when it detects emergency hard braking.

Helping protect you. When a collision is unavoidable, Nissan's Zone Body Construction helps absorb impact as the advanced seat belt and air bag systems protect passengers.

6 air bags standard. Dual front, dual side and dual curtain SRS airbags that extend to the second row will protect the driver and passengers in the case of a front or side impact.

Blind Spot Warning.* If there's a vehicle in your blind spot, a light will illuminate on the driver or passenger door mirror. If you're indicating to change lanes and a vehicle is dangerously close, the light will flash and you'll hear a warning too.

Lane Departure Warning (LDW)* If the all-new Nissan X-TRAIL detects that you're straying from your lane, the LDW system will give both an audio and visual alert. The system is so smart, it stops the warnings whenever your turn indicator is engaged.

Moving Object Detection* When the Around View® Monitor is in use and detects something moving by the vehicle, it gives you an audio and visual alert.

*Available only on the X-TRAIL Ti.

THE ALL NEW NISSAN X-TRAIL. FAMILY PROOF ALL DAY, EVERY DAY.

The all-new Nissan X-TRAIL not only looks sleek and stylish – it's designed to make every day driving a joy. Packed full of practical features, it's a whole new school of thought in family proof. Here are just some of the reasons why...

Sensor activated tailgate.[^] Got your hands full? No problem. Simply wave an object by the motion sensor and the tailgate opens for you.

Scratch shield. Seriously practical and incredibly clever - your all-new Nissan X-TRAIL is coated with a high tech, highly elastic resin that actually enables the surface of the paint to 'heal' itself of very fine scratches.

Divide-N-Hide.^{***} Divide and conquer your trickiest storage dilemmas with adjustable, sliding shelves that let you configure (and keep hidden) your precious cargo.
