

Innovation
that excites

NV350 URVAN

DESIGNED FOR YOU AND YOUR BUSINESS

*Versions wide & super long
with more space.*

*Modern and aerodynamic
thanks to its stylish
character lines*

*Halogen headlights
and fog lamps*

15" alloy wheels

*Body color
bumper*

***Nissan NV350 Urvan is perfect
for your business because of:***

- Higher fuel efficiency
- New personalized design
- Wider load space
- Comfortable interior space for the passengers

*Better shift lever position
that improves the interior space*

*CD / AUX-IN
Audio System*

*Trip computer
(odometer and fuel meter)*

*Front A/C
and heating controls*

THE HIGHEST SAFETY

Images only for illustrative use.

Nissan NV350 Urvan keeps you safe when driving at high speed.

Anti-lock Braking System (ABS)

Front ventilated disc brakes

Drum rear brakes

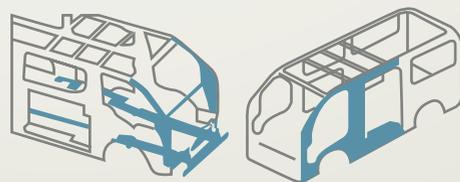

Optional driver and passenger airbags

3-point front seat belts (2) + 2-point central and 2-point rear seat belts

Brake Assist (BA)

Highest level of safety to prevent rollovers and collisions with programmable deformation zones and structural reinforcement on the sides of the vehicle

HIGH PERFORMANCE

4 cylinder gasoline (QR25) and Diesel (YD25) engines, with 2.5 L displacement and 65 L fuel tank.

Its new engine reduces the fuel consumption in each journey.

Benefits:

- Excellent fuel economy
- Less noise, vibration and a higher level of durability
- Protects the environment reducing emission levels

NISSAN NV350 URVAN

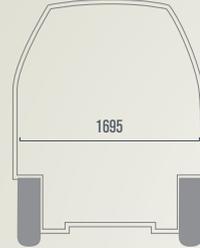

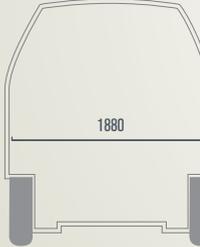

In Nissan we are aware that your business needs to maximize productivity and performance. That's why, Nissan NV350 Urvan is not just a van, it's your best tool for work because it has more interior capacity, more stability and maximum safety for your passengers.

DSL = Diesel

Features and specifications can change depending on market requirements. Please consult your local dealer.

10 REASONS TO CHOOSE NV350 URVAN

Versatile vehicle to travel with up to 16 passengers or use as cargo

AM / FM radio, optional CD and AUX-IN available for some versions

New shift lever location for a better driving experience

15 and up to 16 passengers and a higher comfort

Lineal load design to avoid the loss of space

Better fuel-efficiency with a gasoline and Diesel engine with a 2.5 L displacement

Wide rear and side door for an easier access

Anti-lock Braking System (ABS) and Brake Assist (BA)

Driver and passenger airbags

Wider interior volume: Expanded version (9.2 m³)

ABS brakes, airbags and BA are optional.

Nissan. Innovation that excites.

Because innovation is more than a feature. Nissan delivers exciting benefits that emotionally engage and surprise our customers.

We are engaged to offer passionate driving and emotive design to our customers with the most creative executions, superior agility and responsiveness in every vehicle we build.

We believe in the power of cars to excite. That is why, we put the best innovative ideas into every model we design to bring the most exciting driving experience no matter what their path or destiny may be.

That is what has distinguished Nissan since the beginning. We build our own future and are committed to get you to places where no one has ever been to with style.
